### Sheetal Sheth

#### Where you've seen her:

The sexy Indian guide in Albert Brooks' new flick, *Looking for Comedy in the Muslim World*.

#### Except our hearts!

"I've jammed things, sprained things, and hurt things, but never broken anything."

#### Extreme hottie:

"I've skydived, bungee-jumped, and hang-glided."

#### We have a radio show, too! Will you strip for us?

"I love Howard Stern, but I couldn't be on his show. I'm not going to get naked."
